Car Wash / Supplier Membership

The Canadian Carwash Association actively promotes cooperation between carwash operators, suppliers and oil companies. This relationship has a significant influence on the industry's business and legislative environments. In this way, CCA plays its part in helping ensure the future economic health of the industry as a whole. Additional financial support for CCA's programs is achieved through CCA's sponsorship program.

Carwash Membership Fees

The one-year fee for the CCA Operator Membership is \$395.00. The site fee for extra carwash locations is \$49.00 per site, per year. The site fee only applies if you have more than one carwash location.

Supplier to the Industry (Associate) Membership Fee

The one-year fee for the CCA Associate Membership is \$445.00.
